Saturday Soirees

THE HOUSTONIAN HOTEL

111 N. Post Oak Lane,
713-520-5666

Sunny Saturdays can start at the Houstonian Hotel pool, where kiddos and adults have separate play areas. You have to be a member of the Houston Club or a registered hotel guest, but it's worth the price for the city's best-bod people watching. There's no need to feel self-conscious when ordering a skinny drink here; the health-conscious staff accommodates all one's whims. Whether you've got a ring on it or are single and ready to mingle, this pool set-up delivers on all levels.

■ **Attire:** A Missoni string bikini or Eres one-piece for the femmes; Vilebrequin swim trunks for the guys.

■ **VIPs:** Amy Lee, Cullen Kapler, Carla Valencia de Martinez and Jon Deutser
